## My First Early Reader List

### “BOB” Books

This is a step-by-step program to guide your child gently through the early stages of reading. These books are in the blue bin in our Early Reader section.

### “Brand New Readers”

Each kit contains 10 stories with clear illustrations that help readers identify words. Find these books in the blue bin in our Early Reader section.

### “My Very First I Can Read” Series

These series feature important Common Core State Standards connections, including sight word vocabulary, simple text, strong picture support, and character and plot development. Find these books in the blue bin in our Early Reader section.

### Usborne “Very First Reading” Series

Adults and children read this series together, where each book builds on material from the previous titles. Includes a parent’s guide with information on how to support your child’s literacy skills.

### Phonics Books

Phonics series have a book for each letter of the alphabet and for consonant blends. Find titles under:
