

Northborough Free Library Kids Rock! Summer Club

HOW TO PARTICIPATE IN THE SUMMER READING PROGRAMS

Calling all superstars: It's time to ROCK the library!

There are **two programs**: the first is *Kids Rock!* for kids who can read on their own or read with a grown-up, who would be excited about earning beads for their “brag tag”; and our *Early Literacy* program for children ages birth through around 3 or 4. Which program your child joins is up to you!

If your child participates in **the Early Literacy program**, simply pick up an activity sheet at the library and complete the activities with your child. When you've completed a sheet, turn it in at the library to pick out a free book! You'll also receive a raffle ticket you can enter to win one of two special early literacy backpack prizes. Then pick up your second activity sheet and do it again. It's as simple as that!

To participate in our main program, **Kids Rock!**:

- We recommend visiting our website to **register your child** on our [Wandoo reading program](#).
- Create a username and password with which your child will log in to record the time they read. If you choose not to register online, stop by the library to grab your [paper tracker](#).
- Beginning June 18th, your child will keep track of the **minutes they read** (or read with you) and record these minutes on the Wandoo site. They can also play games on Wandoo, and complete fun challenges around the “Libraries Rock” theme!
- When you visit the library, check in at the summer reading table to pick up your child's free book and bookmark. Once they've logged some minutes, they can claim their “brag tag”-- **the chain that they will be collecting beads on!** Be sure to come to the library throughout the summer to collect the beads they earn as they read. Visit the library to learn how this works!
- For every hour your child reads, they will earn a raffle ticket to enter to win one of several great book bundles- sets of fun series ranging from *Elephant & Piggie* to *Diary of a Wimpy Kid* to *Harry Potter*, along with movies, games and other series-related stuff!
- Be sure to come to some of our great events! [Register online for events](#); all registrations open 2 weeks before the individual event occurs. See our full [summer event calendar](#).

We look forward to seeing you this summer, and as always,

HAPPY READING!
