

POLICY ON FOOD IN THE LIBRARY

For the comfort and safety of our patrons, the Northborough Free Library allows snacks and individual portions of food in designated areas of the Library. These spaces are the designated tables in the Children's Program Room on the main floor and the Internet Café located on the second floor. Signage allowing this usage is posted in these areas.

We ask that you not consume hot, aromatic, or potentially messy items such as pizza, burgers, and salads in the Library. Food items that may be consumed in the Library will be at the discretion of the staff on duty.

Covered beverages are allowed in all areas except in the Local History Room and the Teen Room on the second floor.

We ask our patrons to please clean up after themselves, and to notify staff if there is a spill that needs attention.

Library staff does not oversee food for potential allergens, such as nuts or dairy. Those with severe allergies should be aware that allergens may be present in the Library.
